

AUSDOM WEB CAMERA

Model: **AW615S**

Features:

FHD 1080P WebCam & Crystal Clear Video: Full high-definition 1920 x 1080 high-resolution 2MP WebCam with 1/4" BSI sensor and built-in noise reduction microphone, Ausdom AW615S streams and records vibrant, true-to-life 1080p videos that captures the most exciting details at 30fps with realistic and pure image quality, delivering sharp, smooth video for Skype chats, YouTube recordings and video conferences.

Built-in Noise-Cancelling Microphone: Ausdom AW615S is equipped with an omni-directional microphone, coupled with noise reduction function that filters out external background noise, making the sound purer and clearer, thus, it is the best choice of a video conference to output sound clearly even in a noisy environment.

Flexible Placement: Ausdom AW615S features a flexible bendable clip for multi-angle placement needs for monitors, laptop, desktop, desk or other flat surfaces. Compatible with most social media platforms, Skype, MSN Messenger, Windows Live Messenger and Yahoo Video Messenger, etc.

Plug and Play Design: Simply connect this Ausdom AW615S to your computer via the USB cable, straightforward to set up, convenient and efficient, a good choice for video calling, online teaches and streaming etc.

Strong Compatibility: Ausdom AW615S 1080P WebCam works widely with Windows7, Windows XP2, Windows 8, Windows 10, Windows Vista, MAC OS10.6 or updated version.

It can use the tripod to adjust the height to make the video more stable
