

AUSDOM WIRED HEADSET

Model: BH01

Features:

1. Omni-directional noise canceling mic effectively filters out external noise, which makes voice sound clearer and more natural.
2. 30mm dynamic diaphragm speakers deliver the lossless sound without distortion.
3. Adjustable headband and 360 ° rotatable earcups make the headset fit all shapes of heads.
4. Soft T-pad is made from environmental friendly anti-static material, which is covered by soft EVA pad. Earcups are covered by premium skin-friendly PU leather. Phone call becomes more enjoyable when wear it.
5. You can freely rotate the mic for 300 degree so that you can rotate the mic and adjust the headband for left or right ear.
6. The durable 3.5mm audio cable is made of pure copper for lower impedance to stream the natural sound. By the built-in control, you can easily adjust music volume, pick or reject phone calls, and play or pause music.
