

MIXCDER TOTALLY WIRELESS SPORTS EARPHONES

Model: **T2**

Features:

Bluetooth V5.0 + EDR Technology: Mixcder T2 adopts Bluetooth V5.0 + EDR technology for enhanced stable connection and instant pairing, without calls and music dropouts. Besides, it leads to more stable signal, faster transmission, lower power consumption and less latency. Never worry about losing your connection again.

3D Stereo Sound with Bass: Thanks to the Bluetooth V5.0 + EDR technology and the powerful Φ 10mm large size speaker driver units, Mixcder T2 will bring you incredible stereo sound quality with deep bass and crystal clear treble, and you can truly experience the immersive music, movies or games.

Up to 10-Hour Playtime: Mixcder T2 can last for up to 10-hour playtime on a single full charge with 100mAh battery capacity of each earphone. Built-in 950mAh large capacity, the charging case can recharge the earphones for 4-5 times. And the charging case has smart LED display, so you will know the battery capacity and when is the best time to charge.

Earhook Design & Ultra Comfortable: Mixcder T2 uses soft secure-fit earhooks with flexible silicone eartips to ensure your earphones fit comfortably to your ears, which will keep the earphones in place when moving or working out, and bring you comfortable wearing experience.

IPX5 Waterproof & Sweatproof Design: Effectively protect earphones from damage by sweat and rain, and make them perfectly suitable for more sports. Just enjoy your beautiful time when jogging, running, hiking, fitness, or in the gym.
