

MIXCDER BLUETOOTH HEADPHONE

Model: T1

Features:

Bluetooth V5.0 Technology: Compared with previous Bluetooth version, Bluetooth V5.0 is a new upgrade version of wireless technology, which features faster and more stable connection, more stable signal, faster transmission, lower power consumption and less latency.

Hi-Fi Stereo Sound Quality: T1 is equipped with a powerful ϕ 8mm large size speaker driver unit, which delivers a truly natural, authentic sound and powerful bass performance, bringing you a superior music experience with supreme sound quality.

CVC 8.0 Call Noise Reduction: T1 adopts the latest CVC 8.0 call noise reduction technology and it's coupled with an omni-directional Microphone, providing clearer sound and better call quality, which will make you heard clearly during call.

Comfortable & Snug Fit: Mixcder T1 comes with 3 pairs of ear tips aiming at maximizing the comfort and snug fit, also, it's coupled with sweatproof design, making your business trip, driving, jogging, hiking, fitness more enjoyable.

Long Battery Life: The Rechargeable 50mAh Li-ion battery in each earphone can provide up to 5 hours of music playing time and 8 hours of talking time. Built-in 600mAh large capacity, the charging case can recharge the earphones for 3 times. The earphones will be charged automatically as soon as you put them in the charging case.
