

AUSDOM Model AW651

HDR 2K LIVE STREAMING WEBCAM

reddot award
winner

Product Advantages:

● HDR high dynamic imaging

HDR high dynamic imaging, the picture color is richer, and the contrast of light and shade is closer to the real visual effect.

● Built-in Privacy Cover

The privacy cover is embedded, just one-key sliding to cover lens, which effectively protects privacy and makes sure your secure.

● 2K and 1080P Dual Mode

Frame rate button make it easy to be switched between 2K (30FPS) and 1080P (60FPS) modes, making fast dynamic picture smoother during games, live broadcasts, and video recording.

● Dual Noise Canceling Microphones

The built-in dual noise-canceling microphones pick up your voice clearly at a max distance up to 3-5 meters. Your video call is clearer and louder.

● 0.5 S Fast Auto Focus

0.5 seconds fast auto focus, no manual adjustment needed, to show the best sharpness. Simple and convenient, as far as you want.

● Various Installation Methods

The base is designed with silicone non-slip, which can be hung on a monitor, placed flat on desk, or used with a tripod.
