

## MIXCDER Wireless Noise Canceling Headphones

Model **E9**

### Features

**Qualcomm apt-X HD Lossless Decoding:** Powered by the brand new Qualcomm apt-X HD Bluetooth transmission technology, which support 48kHz/24-bit LPCM audio data, ensuring lower signal-to-noise ratio, enhanced resolution and reduced distortion. Deliver a listening experience "better than CD".

**Better ANC Technology:** Superior Active Noise Cancellation is achieved by improving our self-schemed chip and using higher-sensitive microphones to better counteract noise sound waves. Step into your personal music zone with the simple flip of a switch.

**Astonishing Sound Quality:** The sound quality is enhanced as well since the speakers of the headphone is upgraded. It sounds well-balanced with a decent level of bass, and shows a great performance from mids and treble.

**60-Hour Playtime:** The built-in rechargeable 1000mAh extend the playtime to 60 hours in wireless mode when it's fully charged, powering you by a week. Or it could play music with ANC for 6 days if you connect E9 to your device by the included audio cable.

**Accompany You Anywhere:** It's designed to accompany you wherever you are. The rotatable and foldable design makes it easy to pack and carry. The ultimate soft foam and protein leather ensure comfortable experience at any time.

**Bluetooth V5.0:** compared to the old, the upgrade Bluetooth V5.0 chip increases its transmission speed by 2 times and ensures lower power consumption, faster and more stable Bluetooth connection.

**Foldable design:** The headphones is foldable and rotatable, taking up less space, and easy to be carried anywhere with the included travel pouch.

### Mixcder E9 Specification

Microphone	Microphone Unit	4.0*1.5mm
	Directivity	Omni-directional
	S.PL	-42dB
	Impedance	≤2.2KΩ
	Operation Voltage	2V
Speaker	Speaker Diameter	Φ40mm
	Impedance	32Ω
	S.PL	94dB
	THD	< 3%
	Frequency Response	20Hz-20,000Hz
Bluetooth	Bluetooth Version	V5.0
	Bluetooth Distance	33ft/10m
	Transmission Range(Hz)	2.402GHz-2.48GHz
	Support Profile	HSP/HFP/A2DP/AVRCP/Aptx HD
	Pairing Name	Mixcder E9
Battery	Battery Type	Built- in 1000mAh rechargeable lithium battery (support quick charge)
	Charging Port	USB Type C
	Running Time	About 60-hour talk/music time (ANC OFF); About 50-hour talk/music time (ANC ON)
	Charging Time	About 2.5 hours
	Standby Time	More than 2500 hours
	Operating Temperature	-10°C-45°C
Product Info	Product Package Size	207x59x238mm
	Accessory	1 * Bluetooth Headphones , 1 x Charging Cable, 1 x Audio Cable, 1 x Travel Pouch, 1 x User's Manual
	Carton Info	20PCS/carton
